**Re: Hendrix v. City of Trenton, Detectives David Neiderman and Jason Woodhead and  
John Does (1-99)  
Case Number 3:06-CV-03942**

Dear Magistrate Judge Hughes:

The report of defendant's expert dentist is presently due on September 15, 2008, your Honor having granted my request for an extension to that date because of difficulties we had obtaining records from plaintiff's treating dentist. We are now seeking an additional 30 day extension to October 15, 2008. Plaintiff's counsel does not object to the extension.

The records were eventually supplied, but I experienced additional difficulties in obtaining an expert who practices in an area of New Jersey not too far from where Mr. Hendrix resides and who is willing to work without a retainer. This is a requirement since the City of Trenton cannot pay for services in advance pursuant to N.J.S.A. 40A:5-16(b). We now have an expert and will serve his report by October 15, 2008 if the extension is granted.

Thank you.

Respectfully,
